

ROUNDAABOUT is *your meeting* in print

Like any group, the primary purpose of **Roundabout** is to carry the message. *You* can take part in the biggest monthly meeting in Scotland. Share *your* experience, strength and hope with the wider Fellowship by writing an article or letter.

Each month our Diary pages help you to keep your *Where To Find* up-to-date. Some groups also include Roundabout in their starter packs for newcomers to the Fellowship. The magazine is wholly produced by Members for Members, and is self-supporting through *your* subscriptions.

So, take out a subscription of your own, or ensure that your Group has one.
